

2016-17 Stevenson Titans Band Calendar

Updated June 12 – Any changes and updates will be communicated asap

Important note for Marching Band:

- Expect summer instrument sectionals to be scheduled by section leaders. These will begin soon after school gets out and continue throughout July leading toward home camp. These schedules are set by section leaders and communicated by them directly to section members. Your kids should know or be able to get their sectional information when parents ask for it. Sectionals are key to being prepared for band camp and great way for new marchers to become acclimated. Take vacations as planned, but when you're home, attendance will be expected at sectionals. Sectionals usually take place at or outside of Stevenson HS or at a section leader's home.
