Stevenson Instrumental Music Program – Student Travel Contract

I agree to conduct myself in a manner that is professional, and is that of the high standards which the Stevenson High School Music Department requires on all Band trips, Marching Band Camp, games, etc. During these events, the Instrumental Music Boosters will serve as chaperones and will act as parents and guardians. All members are expected to treat chaperones with respect and courtesy at all times.

All school rules will be enforced at **all times**. Any infraction upon those rules could mean dismissal from the Instrumental Music Program with **suspension** or **expulsion** possible. In the case of a situation that involves a senior, that student *may not be permitted to walk at the graduation ceremony*. There will be no exceptions to **any of these rules if they are broken**. If there is an incident, chaperones and the Band Directors will document all facts and submit this information to the school’s administration upon returning from the trip. Depending on the severity of the incident, the student’s parents will be responsible for providing the student with a “one-way” ticket home immediately, at their expense. All Instrumental Music Program members are expected to represent our school and community as if they were in uniform at all times.

We are very proud of the reputation we have established. Please remember, it only takes one person to ruin it for the whole group. If you do not complete this form and have it signed properly, you will not be able to participate in Instrumental Music Program travel opportunities. Michael D. Sekich, Stevenson Director of Instrumental Music
