

# 2018-19 Notarized Emergency Medical Treatment Permission Form

Printed Student Name: \_\_\_\_\_ Date of Birth: \_\_\_\_\_

My child has permission to engage in all prescribed camp activities, except as noted by me or an examining physician.

I understand that in the event of an illness or accident involving my student (other than those of a minor or routine nature) every reasonable effort will be made to contact a parent or legal guardian to consult with them concerning proposed treatment by professional medical personnel. However, should representatives of the Band be unsuccessful in reaching me during an emergency, I hereby give consent for a qualified physician to perform medical and/or surgical procedures deemed necessary to the welfare of the student. Further, this authorization permits said physician to hospitalize, secure appropriate consultation, order injections, anesthesia (local, general, or both) or surgery for said student if emergency conditions warrant. The undersigned does hereby assume and agree to pay any indebtedness or physician's or surgeon's fees and hospital charges for such service.

I understand that Utica Community Schools, the Stevenson Band Booster Club and their representatives shall not be, nor later become, liable or responsible in any way in conjunction with services, for any death, injury, damage, delay or irregularity which may occur while participating in this activity. Campers will only be released early from camp to the adults listed on this form. **The signature of one parent/guardian must be acknowledged by a Notary Public.**
