

Want to add the same calendar that's on the shs-music.org web site to your mobile device?

On your Apple iDevice:

1. Open Settings on your iPhone, iPod or iPad
2. In Settings, open "Mail, Contact, Calendars"
3. Open "Add Account"
4. Select "Other"
5. Select "Add Subscribed Calendar"
6. Copy and paste this link:

<https://calendar.google.com/calendar/ical/shsmusiccalendar%40gmail.com/public/basic.ics>

7. Click next
8. Click save

The shared Calendar "Stevenson Instrumental Music" will appear in the native iDevice Calendar app!

For your Android device:

1. On your **computer**, go to calendar.google.com (you must be logged in to the same Google account that you use on your Android device)
2. In the left-side column, click the down arrow to the right of "Other Calendars"
3. Select "Add by URL"
4. Copy and paste this link:

<https://calendar.google.com/calendar/ical/shsmusiccalendar%40gmail.com/public/basic.ics>

5. Click "Add Calendar"
6. You may have to reboot your Android device or wait until it resyncs before it appears on that device
